

Electronic Course Information

Perrin-Whitt CISD offers electronic courses through an agreement with the Texas Virtual Schools Network, also known as TxVSN. The Texas Virtual Schools Network offers online courses in a variety of subject areas at the junior high and high school levels, and also offers a number of dual credit college courses.

For more information about electronic courses offered at Perrin-Whitt CISD, please contact Amy Salazar. You can learn more about courses offered through TxVSN by visiting www.txvsn.org on the internet.
